THE LEAVENWORTH WEEKLY TIMES.

LEAVENWORTH, KANSAS, THURSDAY MORNING, SEPTEMBER 1, 1870.

The march through France by King Wilas was Sherman's march to the sea. Germany is in the heart of France, living on it, stopping all business, monopolizing it, and who fought with us in the Execution was alive to-day, they would be as much the friends of Germany as we are, and as are the descendants of the German Steubens and De Kalbs, who also fought with us. To claim the proud name the benevolent.

In Utah to dectare negating a county wrong and wicked as it would have been for the American Rebels of 1861 to claim the sympathy of George Washington, because Germany fights to-day, and in which she

At the beginning of our own war, Lincoln and they fought for Freedom and Union. settlers—a statement which Clarke will never Springs." And the cause of Prussia is greater than the attempt to answer: And the cause of Prussia is greater than the Tory Bismarck or the hereditary Hohenzoldern. If France cannot appreciate it, then she must stand aside and let a greater and truer people take the leadership of Europe. If England continues perfidous and makes Chassepots for France as she made Alabamas for the slave-masters, then England shows that she is a nation of pedlers, yard-sticks and hucksters. Here sich are bloomy that the people of Johnson county have a deep and all pervading interest, and it is particulary and vitally important to the twelve hundred men, women and children fiving on the Black Bob reservation, that the next member of Congress from this State should be incorruptibly honest, and fully pledged to the extinguishment of every Indian title in the State, and more than that, to the extinguishment are marvelloady influenced by the exchanges are marvelloady influenced by the

and bucksters. Her rich are bloated and gouty; three hundred thousand of her poor are starving; and when of her poor are starving; and when this war over, as it will be speedily, Prussia will add her Chassepot, coal and horse claims to the Alabama claims of the United States, and England will cat humble pie through the rest of the century. The country of the count through the rest of the century. The countrymen of Luther and Humboldt are in unisas, and is destined to have an incalculable influence for weal or for wee upon the future

According to a circular of Messes. Arles, Dufour & Co., Lyons, the outbreak of war, "as lamentable as unexpected," has nearly

The rapid success of Prussia amazes France and astounds the whole world. The invadence are panic-stricken in their own Capital, and their Emperor is a fugitive and a wanderer. He is sneaking from one point to another, and rarely peeps. His retreat from village to village can only be compared to Andy Johnson swinging round the circle, and to Jeff Davis running away in a woman's clothes. If Napoleon is arrested for treason we hope Rocchfort will sign his bond, secure stopped all transactions in the silk markets

upon. Of the power and purpose of Prussia, the Nation says:

We have but little news by way of Berlin, except official despatches from the King, which have, however, the sober, modest and somewhat solemn air which has marked all his utterances since the war broke out. But there is little to be said about the Prussians except that their administrative machine works with unbroken regularity, and with a ponderous power which is astounding the civilized world. Men, munitions, and stores for the records the first of the records the first of the settlers of their homes.

The propie could then draw the money due to the front in a never-failing current, and every man finds his place when he gest there, apparently without a jar, and every low either of the three corps strikes, it strikes with all the force of the first hour. The work which in all other wars has been the first of spectual to the form. The propie could there was has been to get control of the Black Bob dands; that, somewhat from Mr. A. L. Stevens the first of July, in Marshall counties, were the the first of July, in Marshall shows how Sid. Clarke neglects the basiness house the first of July, in Marshall counties, over 500 the sent to Washington to watch Sid. It keep the times serious difficulties and perplexities, and swight by every means he dare with the most serious difficulties and perplexities, and swight by every means he dare with the interests of those who were seeking by fraud and corruption, to ride the without a jar, and every long there, apparently without a jar, and every long the proposition of the Black Bob dands; that, sonesting in the first beautiful proposition. The first beautiful proposition is a sc

and every man finds his place when he gets there, apparently without a jar, and every blow either of the three corps strikes, it strikes with all the force of the first hour. The work which in all other wars has been the work of a year, is literally crammed by the Prussians into a month. They take the whole male population bodily, and without giving even delicate men time to get sick or weary, fling the mass on the enemy, and again, till he is crushed, and the war is over. The terrible rapidity is one of the essential conditions of the system. Society is waiting paralyzed at home for the army to come back, and it has to win quickly the paralyzed at home for the army to come back, and it has to win quickly the paralyzed at home for the army to come back, and it has to win quickly all the circumstances of the case, that Mr. Clarke was the enemy of the settlers, early at the pay special agents to go to Washington with the circumstances of the case, that Mr. Clarke was the enemy of the settlers, early at the pay special agents to go to Washington with the pay special agents to go to Washington with the pay special agents to go to Washington with the pay special agents to go to Washington with the circumstances of the settlers, early at the pay special agents to go to Washington the clark was the enemy of the settlers, early at the pay special agents to go to Washington with the pay special agents to go to Washington the clark was the enemy of the settlers, early with the pay special agents to go to Washington the clark was the enemy of the strength of the st artillery, and 193,000 horses. "The Governor was accordingly invited townsman, General Blair, had to be sent to guard our interests.

And so all around the State. No impor-

tant interest has been willing to trust Clarke.
Every enterprise of public or private importance has had to send delegates to secure success. This has been attended with great expense. It is a reflection on Clarke, and a disgrace to the party.

Let us save our money, and send a man whom the people can trust, a man who will not need a delegation to watch him.

THE CRISIS HAS ARRIVED.

La Liberte says: "The hour for a great battle has arrived. The situation now has a new aspect and a battle must now take place in the Valley of Argonne. We must soon know, as we have reason to believe, that a battle is raging now. If the Prussians are repulsed they cannot march on Paris, but must retreat behind the Moselle. France Clar as every high ex-official that has acquitted himself honorably as an officer, is opposed to the re-election of Sid. Clarke. Every deevery moment grows more formidable. She is preparing new armies, and even now, vast numbers of new regiments are ready to take the field. A defeat or two cannot subdue faulter, every petit office-holder together with

all those of whom the people have grown tired, are for Clarke. Let the incredulous NEW YORK, August 30—The Telegram's special, dated London, August 30, says: "A correspondent telegraphs that not only has McMahon affect to form a junction with Eazaine, but that a wedge of Prussians has been Let the people rejoice. take a list of the public men of Kansas past and present and satisfy themselves. Desperate Shooting Affray at Kit Carson,

[Special Despatch to the Times.] KIT CARSON, Aug. 29. A desperate shooting affair occurred here one o'clock this afternoon in which two men were killed and one wounded. Sarter cannot come up in time. Fifty thousand men were killed and one wounded. Sar-men left Paris on Monday for the vicinity of Rethel. It is said the Prussian forces there alry, stationed here and Lee Stewart, were gambling in a game of poker, when they fell out. After some words they separated, and soon met again in the dance house. Shreaves drew a revolver and fired at Stewart without effect. Stewart returned the fire The settlers on the Miami Lands have depended on Clarke, but find their homes have been gobbled up by an "Indian Ring," and that Clarke is owner of some of the land by a desire to stop the effusion of blood there, window, outside in the land by a desire to stop the effusion of blood there, and that Clarke is owner of some of the land by a desire to stop the effusion of blood there, and deversely to the settlers residing on the same and looking to him for help.

The settlers on the Black Bob tract find themselves sold out by Clarke, and have been obliged to employ Mr. Slaughter to be undertook to bring about some sort of true or mediation. With this view, he went to Schallengheim, and had an interview with themselves sold out by Clarke, and have been obliged to employ Mr. Slaughter to the laws of humanity and modern warfled and is pursued by the enraged soldiers. nied leave to withdraw from the city. The Bishop obtained twenty-four hours cessation of the bombardment, in order to give the relentless war against all gamblers.

which had been made by the Prussians for continuing the siege. As Maj. Lesinsky escorted the Bishop back to Strasburg his flag of truce was riddled with bullets. The bomber bardment continues, therefore, with guns of the largest calibre and the surrender of the city is merely a matter of time."

Lee Stuart, who killed Shreves and Dutch Levi, at Carson, yesterday, got aboard the Eastern bound train this morning at Cheyenne Wells Station. He was recognised by a brakesman and another recognised by a cannot be under arrest and going East. An inquest was held upon the body of Shreves this morning. The facts appear clearly established that the killing of Levi was accidental and that he did not fire at all until Shreves had hred upon him. Nothwithstanding this the soldiers would hardly accept and refrain from violence,

Overwhelming Majorities Against

[Special Despatch to the Times.] Topeka, August 30,-Election returns from Saline, Riley, Davis, Sedgwick, Woodson, Allen and Butler Counties give them all to the anti-corruption party excepting Davis. Clarke will certainly be defeated by an overwhelming majority in the State Convention.

About six hundred of our citizens have been notified to pay taxes which were paid from Bazkine by two powerful German armies to John Speer, while Collector. They were returned as "dead," "bankrupt," or "ab-

Judge Lowe and others are to address the people of Topeka, to-morrow evening. counties of the State, excepting Crawford, show the valuation of real and personal property, at about one hundred millions.

WASHINGTON.

Washington, August 29—Acting Com-missioner Douglass decided that tax on gacompanies has not been repealed and they are entitled to charge it to consumer. He also refuses to suspend collection of special tax against pork packers.

In consequence of large amounts of war-rants drawn on the treasury during the our rent month, on account of quarterly pensions, it is not likely the forthcoming report will show as large a decrease as the previous months by five million. The probability is the decrease will be ten to twelve million. WASHINGTON, August 29—General activity prevails at all the navy yards. At Boston the Wabash, Ticonderoga and Ningara Minnesota and Tennessee will soon have new boilers put 'in, and other needed requir-done. At Philadelphia the Powhattan and Iroquois are thoroughly overhauling, while a complete set of machinery and boilers will be placed in the Durensburg at that yard.

NEW YORK.

New Yonk, Angust 29—While the mid-day express train from the west, on the Cam-den & Amboy Railroad, was passing Law-rence Station, N. J., at full speel to-day, the rear car was thrown from the track, caused by a broken rail, and after running some distance on the ties bunted against a freight car, and both were completely demolished. Iola, 1760; Hambolf, 833; Humboldt City, 1,202: Cottage Grove, 799; Ellsnore, 452; Salem, 271; Geneva, 631; Deer Creek, ing circumstances: He and a companion railways around Paris, promptly on the instantly killed, and after running som Defence on the ties bunted against a freight distance on the ties bunted against a freight ways around Paris, promptly on the instantly killed, and a brakeman, name of the enemy. hind end of the northward bound passenger train, and when a short distance from the depot he was, by some unaccountable accident, struck on the head by the swiftly revolving crank of the hand-car, and knocked

the Morris & Ever. Railmed, were thrown from the track, near. Newark to-day, and several passengers seriously hurt. The cars were nearly demolished. David Herring and James Fitzpatrick, have moved into Paris from the suburbs two old counterfeiture, were arrested to-day. Configured it \$19,000 in bogus Westchester county bank bills were found on the former.

New York, Angust 28 The agent of the Remington rifle factory in this city it is re-ported has received important orders from the Prench Government for five thousand rifles a week, to be turned over to the agent of the French Government, until further

A sense the towns in Kaness which are prospering finely, is Carbondale, Orage County, A cluder, of thirty buildings now stand where The population of the suburbs of Paris seemed panic stricken at the first news of the rapid approach of the Prunians, and crowds of country people living near rushed into the city with all their effects. A calm reaction, however, soon succeeded, and the summer persons, late so terrified, are now energetically preparing the city for defence.

The population of the suburbs of Paris seemed persons, and the summer persons, late so terrified, are now energetically preparing the city for defence.

The population of the suburbs of Paris seemed their months ago there were none. A good business is done here, in nearly all branches of trade, and the splendid coal mine which has a reputation all over the West, adds greatly to the general prosperity. We learn that there is a fair opening for a printer at Carbondale.

Fire are numerous in Troy.
